School of Information Technologies

University of Sydney, 2006

Date: September, 2015

**Participant Consent Form
Usability Evaluation of E-textbook Project**

I, Michael Sproul..... give consent to participate in the project.

In giving my consent I acknowledge that:

1. The procedures required for the project and the time involved have been explained to me, and any questions I have about the project have been answered to my satisfaction.
2. I have read the Participant Information Sheet and have been given the opportunity to discuss the information and my involvement in the project with the researcher/s.
3. I understand that I can withdraw from the study at any time, without affecting my relationship with the researcher(s) now or in the future.
4. I understand that my involvement is strictly confidential and no information about me will be used in any way that reveals my identity.

Signed:

Michael Sproul
