

VIDEO RECORDING CONSENT FORM

TITLE: Usability Evaluation of E-textbook

To assist our Usability Evaluation of E-textbook project, you can indicate whether we may use still image, video and/or audio information collected from the experiment for publication in a report. This is voluntary, and you may specify that you wish your features to be anonymised. If this section is blank, we will assume 'No' for all responses.

I hereby give consent for the following (please tick the appropriate box in each row):
